**Subject:** RE: Freedom of Information Act (FOIA) Request DON-NAVY-2014-004831

Hello Laura,

Thank you for the response. In the letter that was attached, there was a paragraph that stated, "The enclosed record was compiled from records concerning this contract. We are permitted to compile a new record when doing so would result in a more useful response to the requester...." I was hoping I could get specific dates on the completion of the surfacing. If it would be possible to get a copy of the actual contract/task order specific to my request that would be great also.

Again, thanks for your help.

Sincerely,

Matthew Rego
